551-ES

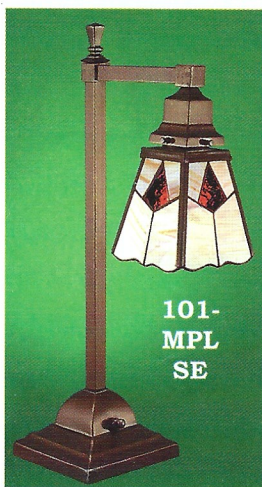

552-ES

553-ES

101-MPL-SE Single light table lamp. Has a nice brass switch in the base and a polarized plug. 21 1/2" tall; Base is 6" sq; & from back of the base to tip of the shade: 13" projection.
 2 1/4" fitter size.
 Socket rated for 100 watts. Suggested shades are 080G, 065G or 083G or 093G (w/093G shown to the left)

101-MPL-SE

520-MCC-CH Great close ceiling "Mission" light having four shades.
 Please note the "rare" reproduced shape of this pan fixture. Complete with authentic side decorations and mounting center finial and decor.
 More outstanding, and harder to reproduce, than anything on the market.
 Fixture 8 3/4" tall (metal parts without shades) with a 13 3/4" square pan. Nicely Darkened.
 Each socket is rated for 100 watts. Suggested shades are: 065G or 080G; 083G or 093G

416-MVCC

418-MCCL

416-MVCC Very close ceiling "Mission" light. Fixture only 5" tall (metal parts) with a 4 1/2" square base. Darkened.
418-MCCL Close ceiling "Mission" light with diamond connectors and square chain link. Fixture 10" tall (metal parts) with a 4 1/2" square base. Darkened--2 1/4" fitter size.
Both fixtures:
 The length of either fixture will be increased only by the height of the glass shade chosen. Socket rated for 100 watts. Suggested shades are 080G, 065G or 083G or 093G
 Singles look especially nice when 093G is applied.
